Mayor's Report:

The Village of Boston Heights

The cicadas have caused damage to our trees which will take a year or two to rejuvenate. In undisturbed wooded areas and around your homes, the cicadas were more pronounced because of the undisturbed ground from which they emerged.

The Akron-Cleveland Road and roadways in the Ledges will be paved this year with the roadways in Wooded View contracted for Spring 2017 resurfacing.

Olde Eight Road from Rt. 303 to the north corporation limit is to be advertised for repair and resurfacing later in 2017.

The Dominion East Ohio Gas Training facility is targeted for a late 2016 opening at 418 East Hines Hill Road.

Enjoy your Summer and stay safe

HOMESTEAD WATER EXEMPTIONS

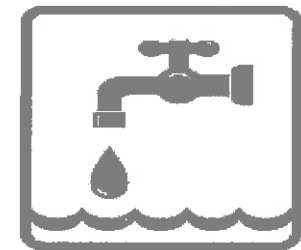

Qualifying Cleveland Water users may download a form from the CWD website for the Homestead Discount Program. Applicants must be 65 years or older, or totally or permanently disabled; own and live at the property; and must have qualifying income. Once you filled out the Homestead Discount Program form, mail to:

Cleveland Water

1201 Lakeside Ave.

Attn: Billing Dept.

Cleveland, OH 44224-1132

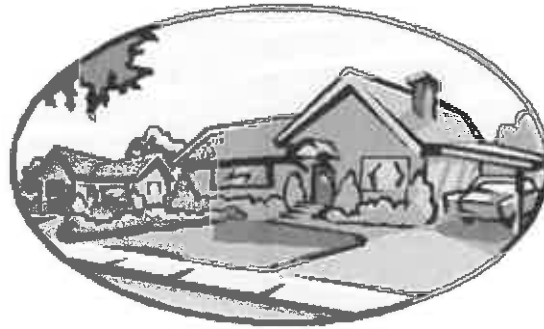

NATURAL GAS SERVICE

The postcard you received about the Natural Gas Opt-Out indicated that the notices should arrive soon. If you choose the NOPEC gas service, you are automatically enrolled to save money on gas. You may also choose your own gas supplier by returning the letter you have or are about to receive from NOPEC. Please follow the directions from NOPEC to continue with your present supplier. Call 855-667-3201 to enroll in the program or change to NOPEC when your present contract ends.

BOSTON HEIGHTS

Many of you have followed the Zoning Inspector's suggestions in starting your Spring into Summer property cleanup. All of us need to be considerate of our Village neighbors and respect their property values.

Keeping lawns neatly mowed and unlicensed vehicles inside of buildings enhances the look of your property and its value.

ZONING INFORMATION

Frederick [Fritz] Alderman is our Village Zoning Inspector and he is available to meet at Village Hall. To learn which future projects require zoning permits or approval of the Planning Commission and/or Board of Zoning Appeals, call: 540.222.8680 for appointment.

#####

The Northwest Quadrant Water Project is now installed and final punch-list items are being reviewed before final payments are made.

#####

The ODOT bridge replacement on Rt. 303 just west of Olde Eight Road has completed the south lane and switched traffic to complete the north lane. Temporary traffic lights direct traffic across the one lane roadway and do not allow right turns onto Rt. 303 from Olde Eight Road until completed.
